FTP SERVER MIGRATION

Issue Date: August 10, 2006
Effective Date: August 13, 2006
Section/Group: Server Administration
Submitted by: Jack Pferdner
Approved by: Darrus McBride

On August 13, 2003 the Division of Enterprise Technology (DET) will move its FTP services to new servers and the associated storage to new locations. The changes should be transparent to users of the service.

If you have questions, or if you encounter problems with your FTP services after August 13, 2006, please contact Customer Support at (801) 538-3440.
